SATURDAY EVENING, MARCH 2.

THE SUBJECT OF EXTRAVAGANT DRESSING at theatres has become the subject of debate in Paris, the city which exerts more influence in this direction than all the rest of the world. It has been brought about by an appeal to the critics from a youg actress who had a good part taken from her because, according to the plainspoken director, "she could not provide herself with the dresses and jewels necessary to the personage she had expected to represent.' We can desire no better means for enjoyment. We can desire no better when in perfect health; but how often do the majority of people feel like giving it up disheartened, discouraged and worried out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satisfactory proof that Green's August Flower will make them as free from disease as when born. Dyspepsia and Liver Complaint is the direct cause of seventy-five per cent of such maladies as Biliousness, Indigestion, Eick Headache, Costiveness, Nervous Prostration, Dizziness of the Head, Palpitation of the Heart, and other distressing symptoms. Three doses of August tressing symptoms. Three doses of August Flower will prove its wonderful effect. Sample bottles 10 cents.
